

2020 ANNUAL REPORT

TO OUR SUPPORTERS

Thank you for supporting Move Minnesota's work for a more just and sustainable transportation system in Minnesota!

Your advocacy, volunteering, and donations are central to Move Minnesota's work to transform our transportation system and put people and our future first—we couldn't do it without you and others like you. Because of you, Move Minnesota and partners celebrated some major transportation wins in 2020!

We also published studies; hosted listening and engagement sessions; contributed to transportation policymaking at city, state, and county levels; and more—you can read about your full impact at movemn.org/the-latest. Thank you again, for helping change what's possible, and for helping create a more just and sustainable future! We appreciate your partnership.

Sincerely,

2020 HIGHLIGHTS & IMPACT

1

Secured millions in federal relief dollars to plug COVID-19 budget holes, which kept Minnesota transit running and funded PPE to protect transit workers—ensuring people could continue to rely on transit

2

Secured \$55M in our state bonding bill to fund two Bus Rapid Transit lines, which will provide faster, more reliable service to thousands of riders in the Twin Cities

3

After years of advocacy, the newly reconstructed Ayd Mill Road in Saint Paul reopened to the public with a new bike and pedestrian trail

Ayd Mill Road has challenged our city for over a generation. Reimagining this critical route as a complete street we can all use and enjoy demonstrates our community's commitment to our residents and our planet alike.
